Project Name: Kenan Fellows for Curriculum and Leadership
Development
Recipient: NC State University
Recipient Address: Box 7214
Admin Service III
Recipient City: Raleigh
Recipient State: NC
Recipient Zip: 27695

Amount of Request: \$1.1 million

Explanation of the request (must include purpose and why it is a valuable use of taxpayer funds):

The Kenan Fellow Program addresses current needs in Science and Math Education by providing teachers with a unique professional development - curriculum creation combined with leadership development. Independent evaluation of this program has demonstrated its effectiveness in keeping teachers in the classroom or the field of education. Funding is requested for an Expansion Pilot Program to help launch this program nationwide. This program is a valuable use of tax payer funds as it has a proven record of helping to retain teacher-leaders in Science and Mathematics and helps to provide enriched Science and Math curriculum.

In order to offer more opportunity for public scrutiny, I have posted information on each project request submitted to the Appropriations Committee at the time the request was made.
